

## Twinkling Granny Square – Half / Triangle Motif

*(US Crochet Terminology)*

A crochet pattern by Merrian Holland

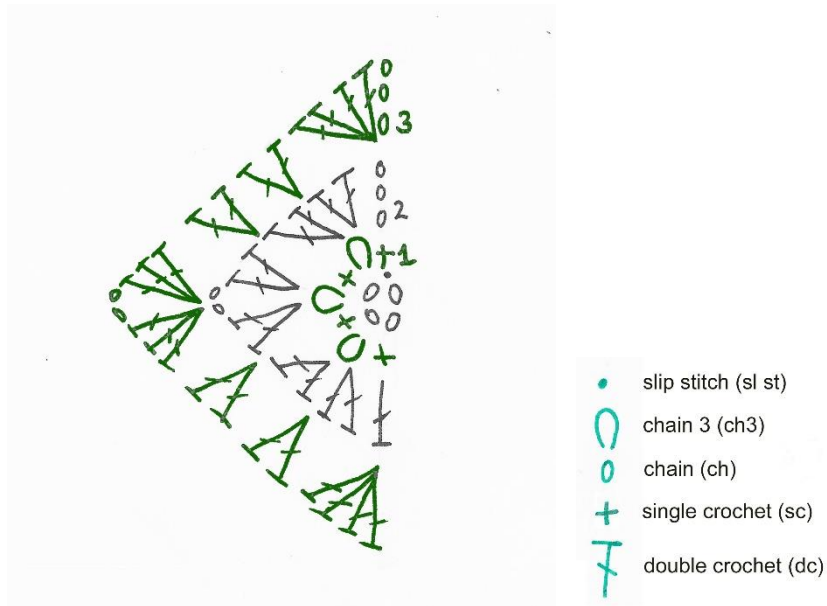

## Twinkling Granny Square – Half/Triangle – Instructions

You can find video instructions here: <https://youtu.be/DSiA66J3dnc>

**Tools & Materials :** You can use any yarn weight and corresponding hook size but for these instructions, I am using a Light DK / Sport weight yarn in three colours – A, B & C with a 4mm / G hook.

**Note :** this motif is not worked in the round. Each row is worked on the right side, starting in the 1<sup>st</sup> st of previous row (or ch that represents a stitch).

Sew in all ends!

Don't worry if your motif looks a bit wonky, as long as you have the correct stitch count, it will be pulled into shape once joined to other motifs. See neck shaping detail image below.
