## 2-1-2 Granny Square - Half / Triangle Motif Pattern

This is the half triangle version of the 5 round, traditional [2-1-2 granny square](#), using three colours. Colour A is used for 2 rounds, colour B for 1 round and colour C for 2 rounds.

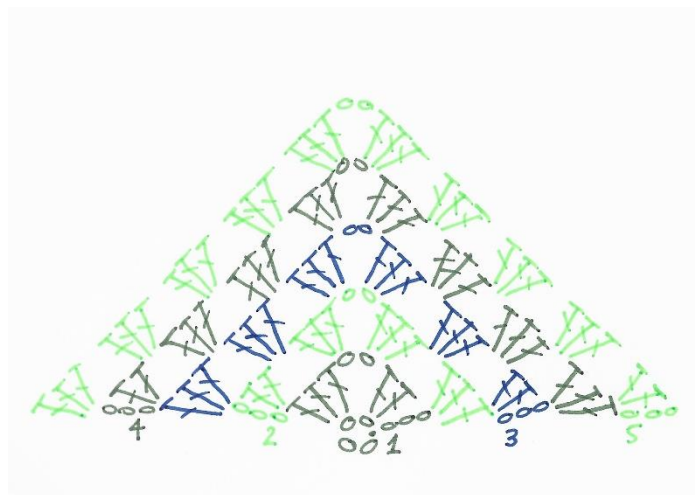

This half triangle motif is perfect when you are using the square on the bias, to fill and straighten the edges of the fabric. I have used in in my “Fruitful Granny Square Sweater” for the neck shaping as well as for straightening the hems and cuffs.

**Tools & Materials :** You can use any yarn weight and corresponding hook size but for these instructions, I am using a 4ply / Fingering weight yarn in three colours – A, B & C with a 3mm / D hook. This makes a triangular motif that is 8cm x 8cm x 11cm / 3.1” x 3.1” x 4.2”.

The yarn I have used is Merino Nylon blend 4ply from [www.FruitfulFusion.co.uk](http://www.FruitfulFusion.co.uk)

The blues and browns are from a mini skein set called “City of Bridges”. The pink is “Mango”.

*Weaving in ends – for this half/triangle motif, I recommend doing this after joining and attaching any borders.*

## My Project

I have used these half motifs to shape the neck and fill in the hem and cuffs of my granny square jumper/sweater on the bias. I've used a granny stitch border to join all the motifs together! Please visit [www.mezzacraft.com](http://www.mezzacraft.com) for more information.
